

**Yellow warning
Rain**

Between

**06:00 Sat 2 Nov 2019 and
22:00 Sat 2 Nov 2019**

There is a chance of further heavy rain on Saturday leading to some flooding and travel disruption.

What to expect

- There is a small chance that homes and businesses could be flooded, causing damage to some buildings
- There is a small chance of fast flowing or deep floodwater causing danger to life
- Where flooding occurs, there is a slight chance of delays or cancellations to train and bus services
- Spray and flooding could lead to difficult driving conditions and some road closures
- There is a small chance that some communities become cut off by flooded roads
- There is a slight chance of power cuts and loss of other services to some homes and businesses

22:00 Sat 2 Nov 2019

Further details

A spell of heavy rain is expected to develop across western parts of England and Wales, becoming slow-moving in some areas. There is a lot of uncertainty in where the rain becomes prolonged but some locations are likely to see 15-25 mm during the day with isolated totals of 40-60 mm possible over higher ground in particular. Rain is expected to ease through the course of Saturday night.

 Very low likelihood of medium impacts
